

**Summary of the most important events that occurred on April 19, 1993**

**A complete analysis of the FLIR videotape (#3) taken between 10:41:57 and 12:16:13 was made using the equipment listed in volume 1.**

**An electronic grid was placed on the videotape and divided into 4 quadrants. The top left section is quadrant 1 or (Q1). The top right section is quadrant 2 or (Q2). The bottom left section is quadrant 3 or (Q3) and the bottom right section is quadrant 4 or (Q4). A videotape was recorded with this grid pattern and provided.**

**At 11:16:27 the tank or CEV (combat engineering vehicle) first appears.**

**At 11:18:40-Q1 the tank starts to demolish the rear wall of the gym. This continues on until 12:09:02-Q3 when the tank leaves the rear area of the gym. There were a total of 19 instances that the tank penetrated the gym.**

**At 11:23:02-Q3 & Q4 the tank has penetrated the gym for the 6<sup>th</sup> time.**

**At 11:23:23 the tank is completely inside the gym.**

**At 11:24:17-Q2 two unknown subjects appear from underneath the tank.**

**Between 11:24:30:16-Q2 and 11:24:36-Q1 the unknown subjects shoot into the hole made by the tank in the gym wall.**

**Between 11:24:50-Q4 and 11:25:04 there is a response in the form of gunfire from the inside of the gym directed at the 2 unknown subjects.**

**At 11:26:04-Q2 the tank breaks through the front wall of the gym.**

**Between 11:26:13-Q1 and 11:26:27-Q1 additional gunfire comes out of the gym directed at the 2 unknown subjects. This gunfire has pinned down the 2 unknown subjects on the ground.**

**At 11:26:26-Q1 the tank backs over the 2 unknown subjects. The approximate height of the tank is 20 inches and 6 feet in width between the tracks.**

**At 11:26:39-Q4 one of the 2 unknown subjects is clearly visible exiting out the hole in the front wall of the gym the tank previously made. The unknown subject turns to the right into the courtyard.**

**Between 11:28:04-Q1 and 11:28:14:04-Q4 there is gunfire emitting from the position the unknown subject was seen at 11:26:39-Q4 (the courtyard) the direction of this gunfire is into the structure.**

**Between 11:28:18-Q4 and 11:28:22-Q4 there is a response of gunfire coming out of the structure.**

**Between 11:30:09-Q4 and 11:30:15-Q4 there is gunfire from the same area in the courtyard directed into the structure.**

**CONCLUSIONS:**

No additional gunfire is detectable on the videotape because the infrared detector on the FLIR overloaded with the infrared energy emitted by the fire. The gunfire did continue on. There is visible video evidence taken by the media to support this and there is gunfire recorded on the audio track of the aerial FLIR tape # 4 taken by the same aircraft.

Total number of gunfire shots coming out of the structure	69
Total number of gunfire shots going into the structure*	57
Total number of flash devices	1 cluster
	<b>SUB TOTAL</b>
	<b>127</b>
Total number of times the tanks penetrated into the structure**	33
Total number of times the tanks penetrated thru the structure	1
	<b>TOTAL NUMBER OF EVENTS</b>
	<b>161</b>

- **\*THERE ARE 3 THERMAL FLASHES WHERE THE WEAPON USED, HAD A POSSIBLE FLASH SUPPRESSOR DEVICE INSTALLED, THEY OCCURRED AT 11:24:31:28, 11:24:35:10 AND 11:28:14:13. THEREFORE THE POSSIBILITY EXISTS THAT MORE THAN ONE ROUND OF AMMUNITION WAS FIRED DURING EACH OF THE 3 EVENTS. ALTHOUGH ONLY ONE ROUND OF AMMUNITION WAS USED AS THE AMOUNT FIRED FOR THIS LIST.**
- **\*\*AFTER REVIEWING THE VIDEOTAPE NUMEROUS TIMES. THE FOLLOWING PATTERN APPEARED, WITH ONLY A FEW EXCEPTIONS. THE BRANCH DAVIDIANS SHOT AT THE TANKS, ONLY AFTER THE TANKS PENETRATED THE STRUCTURE.**

**TOTAL NUMBER OF TIMES, UNKNOWN SUBJECTS APPEAR ON THE FLIR VIDEOTAPE.**

7

**TOTAL NUMBER OF EVENTS THAT OCCURRED BETWEEN 10:41:57 AND 12:16:13 (FLIR TAPE # 3)**
